BUT FIRST...

Introducing a online network from **Centennialville Studios** designed to connect, play, save and share across all living devices.

Be ALL connected℠

Connect to ALL sorts of devices such as:

Simply log into your **Clever ID℠** and you'll be able to utilise many features that **Crossover℠** allows you to do.

Cross-play

Be able to play with your friends or other players on the same game even if they're playing it on a different platform from yours.

Cross-save

Save your game data to the cloud on one platform and then continue your game session on another platform.

Cross-share

Share your stuff (e.g. your high score, rank/grade, level, item, and others) to people all around the world.

Other features

Voice/text chat

Communicate to other players using a microphone/headset or use a keyboard (if your device supports it) to type your message to the text log while playing.

Information on compatible games will be made later...
